Article 2: Statement of Intent, Club History and Purpose

- 2.0 The Predecessor Club was established by its Founder Members, David Spiteri, Jean Paul Galea, Mario DeBono, Mark Farrugia, Melvin Vassallo and Pierre Ferrante in November 2008 under the name of Malta Allied Airgunners Club – Airsoft (MAAC-A). It has been agreed by all of the incumbent MAAC-A Administration and Members during the AGM of December 2017, to shift MAAC-A to a more defined entity in the shape of a fully independent Airsoft Club. This materialised with the transformation to the **Special Tactics Airsoft Group (S.T.A.G.)** Airsoft Club, hereinafter also referred to as the **Club** or any other title as indicated in Article 1 of this Statute, as from December 2017. All assets managed by or pertaining to MAAC-A were duly moved to the Club accordingly and this document fully replaces any prior statute used to govern MAAC-A. All members who accepted to be recorded on S.T.A.G. books as members and who were already members of MAAC-A, including Admin Members, were required to fill in the Club's Membership Enrolment Application Form 'A'. However it was agreed that no probation period was required for these members and full membership in S.T.A.G. according to their relevant age class would be effective as from 01/01/2018.
- 2.1 It was agreed that for the benefit of continuation, the Admin Committee for S.T.A.G. for 2018 will be made of the prior MAAC-A Admin Committee and Admin Sub Committee namely Pierre Ferrante (Chairperson), David Spiteri (Treasurer), Jonathan Agius (Secretary), Noel Micallef (Member), Brian Azzopardi (Member), Stephanie Azzopardi (Member) and Franklin Grima (Member). Future Admin Committees for 2019 onwards will be elected as per procedures indicated in Article 7 of this Statute.
- 2.2 It was also agreed that any members on MAAC-A books up till December 2017 who had already paid their membership to MAAC for a period up to and including 2018 will be exempt from paying again the S.T.A.G. membership for that year only. S.T.A.G. Enrolment fees and the necessary forms will still be required from these members.
- 2.3 The purpose of the Club is to promote the practice of Airsoft, Airsoft Military Simulation (MilSim) and Airsoft tactical shooting competitions, hereinafter referred to jointly as the **Sport of Airsoft**, as a safe, enjoyable and legal pursuit within the requirements of the laws and regulations of Malta in mind.
- 2.4 In order to achieve the purpose as set out in Article 2.3, the Club is to:
- organise airsoft game events, activities and gatherings at regular intervals
 - hold any training, be it technically relevant to Airsoft and related equipment or tactical due to the Military Simulation nature of the Sport, to its members
 - provide a forum of learning and discussion for its members' continued growth in skill and knowledge pertaining to the Sport of Airsoft

- d. seek affiliations, partnership or friendship with local and foreign entities who promote similar purposes to the Club's
- e. purchase any supplies conducive of its objectives by seeking favourable terms and to pass these benefits onto the Club's Members
- f. strive to make continued arrangements according to the Laws of Malta for the lawful use of sites to achieve all of the above

2.5 The Club is a social, sporting organisation based in Malta which shall remain unaffiliated with any political, religious or entity, beyond the scope of the Sport of Airsoft.

2.6 The Club is a Voluntary, Non-Profit organisation and income generated as a result of fund raising activities, membership fees, sponsorships, donations and/or any other fee or monies collected from its Activities will be retained by the Club and only utilised for

5.2 The Administrative Committee is empowered to adjust the enrolment and/or membership fees from year to year as circumstances dictate. Article 6: Structure and Organisation

No member of the Admin Committee will hold or seek to hold any leadership or administrative position in any other club or entity in the area of the Sport of Airsoft during his tenure as an Admin Committee Member of S.T.A.G.. The spirit of this provision is to minimise the possibility of conflict of interest by members of the Club's Administrative body. Any Admin Committee member found to have breached this policy at any time during the active tenure of position as specified herein will be dismissed summarily from all Club administrative structures thus vacating the position which may be filled according to the provisions contemplated below within this Article.
- 6.2 The Admin Committee shall be normally made of not more than seven (7) representatives covering the roles of Chairperson, Secretary, Treasurer, Membership Coordinator, Event Coordinator, Quartermaster and Media Officer. The number of other members forming part of the Committee may be increased to a maximum of nine (9) as per work exigencies by the Admin Committee and according to availability.

- 6.9 An Admin Committee Member who misses three consecutive Admin Committee meetings without having previously notified the Secretary of his inability to attend, may be asked by the remaining Admin Committee members to tender a resignation. If the lack of justified attendance to Admin Committee meetings persists and the member insists not to resign, the Admin Committee may proceed with calling a motion of No Confidence against that member as per Article 6.10 below.
- 6.10 An Admin Committee member may be removed out of office only by a successful vote of No Confidence against that member. A motion of No Confidence may be called in any meeting by either a petition signed by at least fifty percent plus one (50% +1) of the Club's Adult and Junior Members or by a two-thirds majority vote at an Admin Committee meeting.
- 6.11 If the motion of No Confidence is called, an EGM must be held for that purpose and a vote by secret ballot must be taken. In order for the No Confidence Vote to be successful, it must be voted in favour of by at least two-thirds of the eligible voters present at the EGM.
- 6.12 If the Vote of No Confidence against an Admin Committee member is successful, that member will to all effects, cease to be recognised as a Club Admin Committee member and hence will vacate the post in the Committee and lose all authority and roles associated with his administrative role. The provisions of Article 7.17 will also hereby apply.
- 6.13 An Admin Committee member may not be able to continue in his role on the Admin Committee until the next AGM and hence may resign prior to the conclusion of the term of office. In such a case that member must send a written letter of resignation addressed to the Club Secretary informing the Committee about the circumstances and the fact that he/she cannot retain the post on the Admin Committee. The resignation will be effected only once acknowledged by the Admin Committee in writing. The provisions of Article 7.17 will also hereby apply.
- 6.14 If the situations in Article 6.12 or 6.13 above occur, or whenever an Admin Committee Member in any other way stops forming part of the Admin Committee prior to an AGM, then another Adult Member of the Club who would have gained the next highest number of votes at the last AGM may then take his place without the need to call an EGM.
- 

- 6.15 In the event that there are no candidates that qualify for the vacant posts under Article 6.14 above, the Admin Committee may issue a call to all other members to volunteer and contest by-elections during an EGM called for such purpose to fill the vacancy by submitting their nomination as per Article 7.1 of this Statute. The Club Electoral Sub Committee will be appointed for this matter and similar proceedings to an Admin Committee general election will be followed in these cases.
- 6.16 If the vacancy still remains open after the provision at Article 6.15 is applied, the Admin Committee may continue to run without filling the vacancy as long as Article 6.3 of this Statute is observed.
- 6.17 When vacancies in the Admin Committee arise prior to the intended term, the Admin Committee may opt to do a reshuffle of the posts of the elected Admin Committee Members still in office so that it is ensured that the most required roles on the Committee are always assigned.
- 6.18 The Admin Committee may allow any person or persons to attend a meeting or part of a meeting for the purpose of advising or reporting to the Admin Committee
- 6.19 Anybody attending Admin Committee Meetings, by virtue of Article 6.18 above, shall not have any voting powers at such meeting or meetings.
- 6.20 The Admin Committee will be responsible to hold an **Annual General Meeting** hereinafter also referred to as **AGM** by the end of February of the following year. A further grace period not exceeding 5 weeks from the end of February may be allowed in case of unavoidable and justifiable reasons.
- 6.21 The duties and responsibilities of the Admin Committee Members and other Club Officials not necessarily forming part of the Admin Committee are detailed in Annex 'E' of this statute.
- 6.22 Decisions taken during Admin Committee Meetings shall preferably be by consensus however in case of need, a vote will be requested and the decision will be taken by a simple majority vote. All Admin Committee members are entitled to a single ordinary vote per motion during Committee Meetings. In case of an equal vote due to the absence or lack of Committee Members or in case that an Admin Committee Member abstains from the vote, the Chairperson may also use his/her casting vote to break the tie.
- 6.23 The Admin Committee may appoint a Legal Advisor whenever it deems it necessary.
- 

Article 7: Admin Committee Elections and forming of Sub Committees

7.0 Eligible Club voters shall elect Admin Committee members from Adult Member Nominees, hereinafter referred to as **Candidates** as per criteria in Article 7.1 below, by secret ballot during the Club Annual General Meeting which is convened as specified in Article 8 of this Statute. Candidate may also be elected at Extraordinary General Meeting convened for such purpose, whenever a vacancy in the Admin Committee arises prior to the end of term of the Admin Committee.

7.1 Adult Members who wish to stand for election will be required to submit a duly filled in and signed nomination form as per Annex 'G' Document 1 attached to this Statute, to the Club Secretary between November of the ending year and not later than the 10th Calendar Day of January of the new year for elections at an AGM of the Admin Committee as a whole and by not later than a date specified by the Club Electoral Sub Committee in cases where individual vacancies in the Admin Committee occur prior to an AGM as per Article 6.15 of this Statute. The nomination must be seconded by two (2) Adult Members of the Club who will sign the nomination form accordingly in support of the nominee's candidature. Candidates whose nominations are accepted will retain the form's counterpart printed at the bottom of the form which is filled in, signed and detached by the Admin Committee Secretary and given to the Candidate for reference. The Secretary will accept nominations and sign the form's counterpart as long as the member submitting it satisfies the following criteria:

- a. The submitting member is an Adult Member of the Club
- b. The submitting member has paid all monies including membership fees due to the Club for the year in which the nomination is being submitted and for the period during which the elected Club Officials will be operating
- c. The nomination form is filled in correctly
- d. The submitting member declares not to form part of a committee or sub-committee of any other entity in the area of the Sport of Airsoft at the time of candidature and will not seek such posts during his tenure if elected
- e. The original signed nomination is being hand delivered by the member in person
- f. Any provisions of this Statute with respect to the eligibility of Candidates are adhered to.

7.2 For an election of the Admin Committee as a whole, the number of open Committee vacancies hereinafter referred to as the **Admin Committee Quota** shall be not less than three (3) but not more than seven (7). On the other hand, the Admin Committee Quota will be set according to the number of vacated posts on the Admin Committee in case of the provisions in Article 6.15 of this Statute. The number of

accepted nominations received by the date stated in Article 7.1 will determine whether a number less than the maximum available vacancies for the Admin Committee positions will be contested. For the sake of clarity, if for example only four (4) legitimate nominations are received, the quota will be for four (4) vacancies on the Committee rather than seven (7). The quota shall be communicated at the beginning of the General Meeting by the Club Electoral Sub Committee.

7.3 The Club Electoral Sub Committee will show the open empty ballot boxes into which the votes will be cast to the attending members prior to the sealing of these boxes.

7.4 A single ballot paper containing the list of all Candidates, sorted alphabetically by Surname and by Name in ascending order and as per Sample 2 in Annex 'G' of this Statute will be signed, stamped or otherwise marked by each Candidate and given to each individual eligible voter in attendance during the General Meeting by members of the Club Electoral Sub Committee against presentation of the individual eligible voter's Club Membership Card. The title of the Ballot Paper may vary according to the respective election being held during that General Meeting. Any ballot paper which is not signed, stamped or otherwise marked by each Candidate as herein indicated will be deemed as 'Invalid'. The total number of distributed Ballot Papers will be recorded on the Reconciliation form as on Annex 'G' Sample 3 of this Statute.

7.5 The Club Electoral Sub Committee will mark off the name of each eligible voter who is given a Ballot Paper to vote. Ballot Papers will only be given to the eligible voters named on the list given to the Club Electoral Sub Committee by the Admin Committee Secretary and vetted by the Candidates.

7.6 Eligible Voters will discreetly and clearly tick (✓) alongside the names of their choice of Candidates up to a maximum of the Admin Committee Quota on the ballot paper and cast the folded ballot paper in the ballot box. Any ballot paper with more tick marks than the Admin Committee Quota or which is marked in such a way that a clear choice cannot be interpreted will be deemed as 'Invalid'.

7.7 The Club Electoral Sub Committee will open the sealed ballot box at the end of the voting process and will open the folded ballot papers and place them face down. Then a reconciliation between the number of individual ballot papers cast in the ballot box and the recorded number of ballot papers distributed must be carried out. Any discrepancies will void the process and the electoral procedure stated in Article 7 of this Statute will have to be started afresh.

7.8 The Club Electoral Sub Committee will turn over the reconciled ballot papers and separate the batch between 'Valid' and 'Invalid' Ballot Papers. 'Invalid' ballot papers are defined in Articles 7.4 and 7.6 above. These will be set aside, counted and the number will be recorded for reconciliation as per Annex 'G' Sample 3 of this Statute.

- 7.9 The Club Electoral Sub Committee will then process the 'Valid' ballot papers by counting the number of ticks (✓) for each Candidate and populate a matrix which will show the total number of votes that each Candidate will have attained during the election. The Candidates are sorted in order of merit with those who have attained the most votes at the top and those with the least votes at the bottom. Candidates who have attained the same number of preferences will be placed along the same line as a group. A final order of merit for these groups of candidates with the same count of preferences will be decided by drawing lots.
- 7.10 The first Candidates in the final order of merit up to the Admin Committee Quota will be declared elected on the Admin Committee until the next Annual General Meeting or until they either resign or are removed from the Committee. Candidates who are not elected on the Committee will be retained on record in case that they would be required to fill in a vacancy on the Admin Committee prior to the next AGM. These unelected Candidates are referred to hereinafter as **Runner up Candidates**.
- 7.11 The total number of Valid and Invalid Ballot papers at the end of the voting procedure is to tally with the recorded number of Ballot Papers distributed against the Eligible Voters List. If the number does not tally, the vote will be declared null and the procedure must be repeated.
- 7.12 Elected Admin Committee members shall choose the post of Chairperson between themselves on the first Admin Committee Meeting following their election. This can be done by mutual consent or if there is no consensus, by secret ballot between the Admin Committee Members. The rest of the Admin Committee roles will be decided by the chosen Chairperson preferably by consensus after consultation with the rest of the members.
- 7.13 If the need arises, any member on the Admin Committee may, if he/she so wishes, take up the responsibility of two or more posts. The fact that a member of the Admin Committee takes up more roles will not entitle that member to a vote for each post during Admin Committee meetings. Each individual elected on the Admin Committee will be entitled to a single vote per motion. The Chairperson will additionally be entitled to a casting vote whenever this is required to break a tie unless specifically otherwise determined within this Statute.
- 7.14 The Admin Committee, once formed will oversee the formation of any Sub Committees as may be necessary to ensure the smooth and efficient running of the Club from time to time.
- 

- 7.15 Sub Committees are to be given a definite term of duration which may be extended or terminated early as per Club exigencies decreed by the Admin Committee.
- 7.16 Each formed Sub Committee will appoint a link person who will report progress and liaise with the Club Administration when in attendance with the Admin Committee. Whenever an Admin Committee member sits on a Sub Committee position too, that Admin Committee member will preferably assume the role of link person.

Article 9: Changes to the Statute

9.0 Articles within this Statute are deemed to be major regulations and make up the core of the Club's identity hence any changes therein can only be approved in either an Annual General Meeting or an Extraordinary General meeting by eligible voters. Changes include amendments, alterations, revocations, additions, deletions or revisions to the Articles of this Statute but exclude Annexes. Changes in Articles will increment the version number of the document by 1 whole number.

9.1 Proposed changes to the Articles of this Statute by the Admin Committee must be sent to the eligible voters together with the General Meeting agenda prior to the meeting.

9.2 Eligible Members as per Article 4 of this Statute may propose changes to the Statute for approval during a General Meeting. Such proposals must reach the Admin Committee in writing not later than five (5) days before the date of the General Meeting in question. Late submissions may be accepted at the discretion of the Admin Committee.

9.3 Annexes attached to this Statute are deemed to be operational rules, procedures, working documents and policies hence any changes may be proposed and approved during Admin Committee Meetings when any revisions are deemed to be necessary. Any Admin Committee Member may veto any revision, removal or addition to an Annex of this Statute and then in such a case the said change to the Annex must be approved during a General Meeting by eligible voters. Changes in Annexes will increment the version number of the document by .01 unless such amendments are not part of an approved Article revision as per Article 9.0.

Article 10: Participation at Club Activities for Members and Non Members

- 10.0 All Club Members and invited Non Club Participants may attend to Club Activities which are advertised from time to time on the Club's Website and/or other social media.
- 10.1 All attendees to Club Activities must have submitted a signed "Release and Waiver of Liability, Assumption of Risk, and Indemnity Agreement" as reproduced in Annex B of this Statute as Form 'D'. Club Members are only required to fill in this Form upon enrolment to the Club and subsequently once yearly preferably at each Membership Renewal however Non Member Participants, Applicants and Honorary Members or general attendees need to fill in Form 'D' for each event.
- 10.2 Whenever a Club Activity includes shooting, the participating shooter irrespective of his/her Membership Class and whether he/she is a member, a guest or a regular non-member participant must be in possession of a valid third party insurance at a minimum which covers any risk or losses related to incidents related to Airsoft activities up to acceptable limits. No individual will be allowed to shoot during a Club activity if not covered by an adequate insurance policy.
- 10.3 All Classes of Club Memberships who have been issued with a Membership Card are obliged to carry the valid and unexpired card on their person throughout the duration of a Club activity and are to show such card upon request by Club Officials or other Authorities. The card may be used for attendance tracking, identification for pricing purposes and record keeping by Club Officials. All Membership Cards remain property of the Club and the Club reserves the right to recall such Cards or to make such Cards void at any time as deemed necessary by the Admin Committee
- 10.4 All individuals attending a Club activity where shooting is involved must wear safety equipment as required and specified in the Safety Brief found in Annex B Form 'E'. All activity attendees must listen attentively to the safety brief summaries in the mentioned form and must strive to understand and follow the instructions.
- 10.5 A record of attendance of all participants attending Club Activities will be kept by the Club together with any information deemed necessary by the Admin Committee.
- 10.6 All participants to a Club Activity are expected to meet appropriate standards of behaviour and sportsmanship. Airsoft is an honour based activity and all participants are expected to call their hits when they get hit.
- 10.7 Participants will aim and strive to hit their opponents at their centre of mass with the bbs discharged from their airsoft weapons. Although an occasional badly placed
- 

shot to the head or an accidental discharge at close range are to be expected during a skirmish, vindictive or purposely placed head shots will not be tolerated and players may be asked to leave the area by a Club Official if the participant fails to show respect to rules and safety instructions.

10.8 All participants to a Club shooting event are to ensure that their Airsoft Weapons comply with the regulations and limits imposed in Annex F of this Statute. Club Officials may ask any participant to check the power of their equipment on site by using a chronograph at any time before, during or at the termination of an activity. Any weapons found to be exceedingly over the specified limits of their Weapon Class will be banned from use at Club activities. Weapons within 10 FPS of the maximum limits of the respective weapon Class indicated in Annex F of this Statute may be allowed to be used for the session if no alternate weapon is available for use by the participant. In any case of breaches to the limits imposed no matter by how much, the relevant weapon must then be down powered to the required limits so as to be permitted to be used in future Club Activities. These findings are to be recorded on the Club's attendance sheet as remarks so that the particular weapon is checked for compliance before being used at future events.

10.9 Members are allowed to bring guests to Club activities provided that they comply with Article 10 of this Statute. The accompanying member shall be responsible for the behaviour of his guest.

10.10 Admin Committee Members and Club Field Officials reserve the right to refuse any request by any individual or individuals who in the opinion of any one of the Committee or Officials may jeopardise the good name of the Club and the safety of anyone on or outside the activity site including that of the individual concerned.

10.11 Pricing for Airsoft activities with the relevant attendance fees, hire of equipment and other applicable fees are established in Annex 'D' of this Statute and may be updated by the Admin Committee from time to time. The event fees quoted in Annex 'D' are baseline prices onto which a surcharge may be added for particular events when a site owner or operator imposes fees higher than the quoted baseline. The prices relevant to the individual member at the time of membership enrolment or renewal will remain unchanged for that individual until the expiry of that current membership plan. Any changes will be effective upon the start of a new membership period.

10.12 The pricing model applicable to the individual is to be recorded in the individual's Membership Card QR Code for ease of reference. The Field Official may confirm what prices to charge to the individual by scanning the code. The Field Official may impose Non Member Participant fees to member who fail to produce their Club Membership Card during an activity.

The Special Tactics Airsoft Group (STAG) is a club which stands for Special Tactics Airsoft Group, the Stag has also been associated with the values which it is associated. In English culture Stags were frequently used to represent pride and strong leadership hence their appearance even in noble heraldic devices and coats of arms. In other ancient cultures, the Stag stands for solitary nobility, honour and a commitment to the protection of their herd. Somehow one can associate these concepts with values which STAG members should strive to follow; Honour, Pride of pertaining to a disciplined and professional Airsoft group and a sense of Strong Leadership which should reflect the way a STAG member operates during Airsoft activities.

Motto

Virtus et Honor meaning Strength (Valour) & Honour

Background Colours

Being a Maltese entity, STAG prides itself in displaying the colours forming part of the Maltese National Flag hence the white and red background. The green diagonal half indicates military as in Army Green given the fact that STAG operates in a military simulation (MilSim) environment.

Lightning & Crossed Arrows

Both the Lightning Bolt and the Silver Crossed arrows are usually associated with Special Forces Units. STAG is all about seeking tactical advantage through research on tactics employed by such units, adaptation of such tactics to Airsoft Mil-Sim activities and hard training to achieve the best possible results using these tactics.

Roman Numerals

MMVIII represents the year 2008 in which the concepts of the group were founded and put together giving life to STAG. The full Club Title and 'Malta' are found on the outside perimeter of the Club logo.

The STAG Patch worn on a Combat Uniform should be placed on the right-hand sleeve.
